CONCEPT DEMO · FOR REVIEW

Client books that *win the mandate.*

Three branded books for every stage of the client journey. Each one can be personalised in minutes and sent to the client as their own copy.

Prepared by Charné Robilliard for review by the principal. This is a working concept: all names, figures, reviews and photos are placeholders, and nothing has been sent to clients.

WHAT I'D LOVE YOUR INPUT ON

1. Are you happy for the books to carry the RB Brand name, logo and colours as shown?
2. The commission rate and wording to use on the seller's walk-away page.
3. Our PPRA and Fidelity Fund details, and which recent sales and Google reviews we may feature.
4. Should the whole team use these books?

SELLERS · 12 PAGES · PAGES 2–13

Listing Presentation

For the valuation appointment. The seller's own home on the cover, comparable sales, the marketing plan, what they'll walk away with, and a clear "let's launch your home" close.

BUYERS · 9 PAGES · PAGES 14–22

Buyer Guide

For prospective buyers. The buying process step by step, a transfer-duty and repayment calculator, suburb guides, and a wish list that goes straight to WhatsApp.

HANDOVER · 4 PAGES · PAGES 23–26

Moving Day Pack

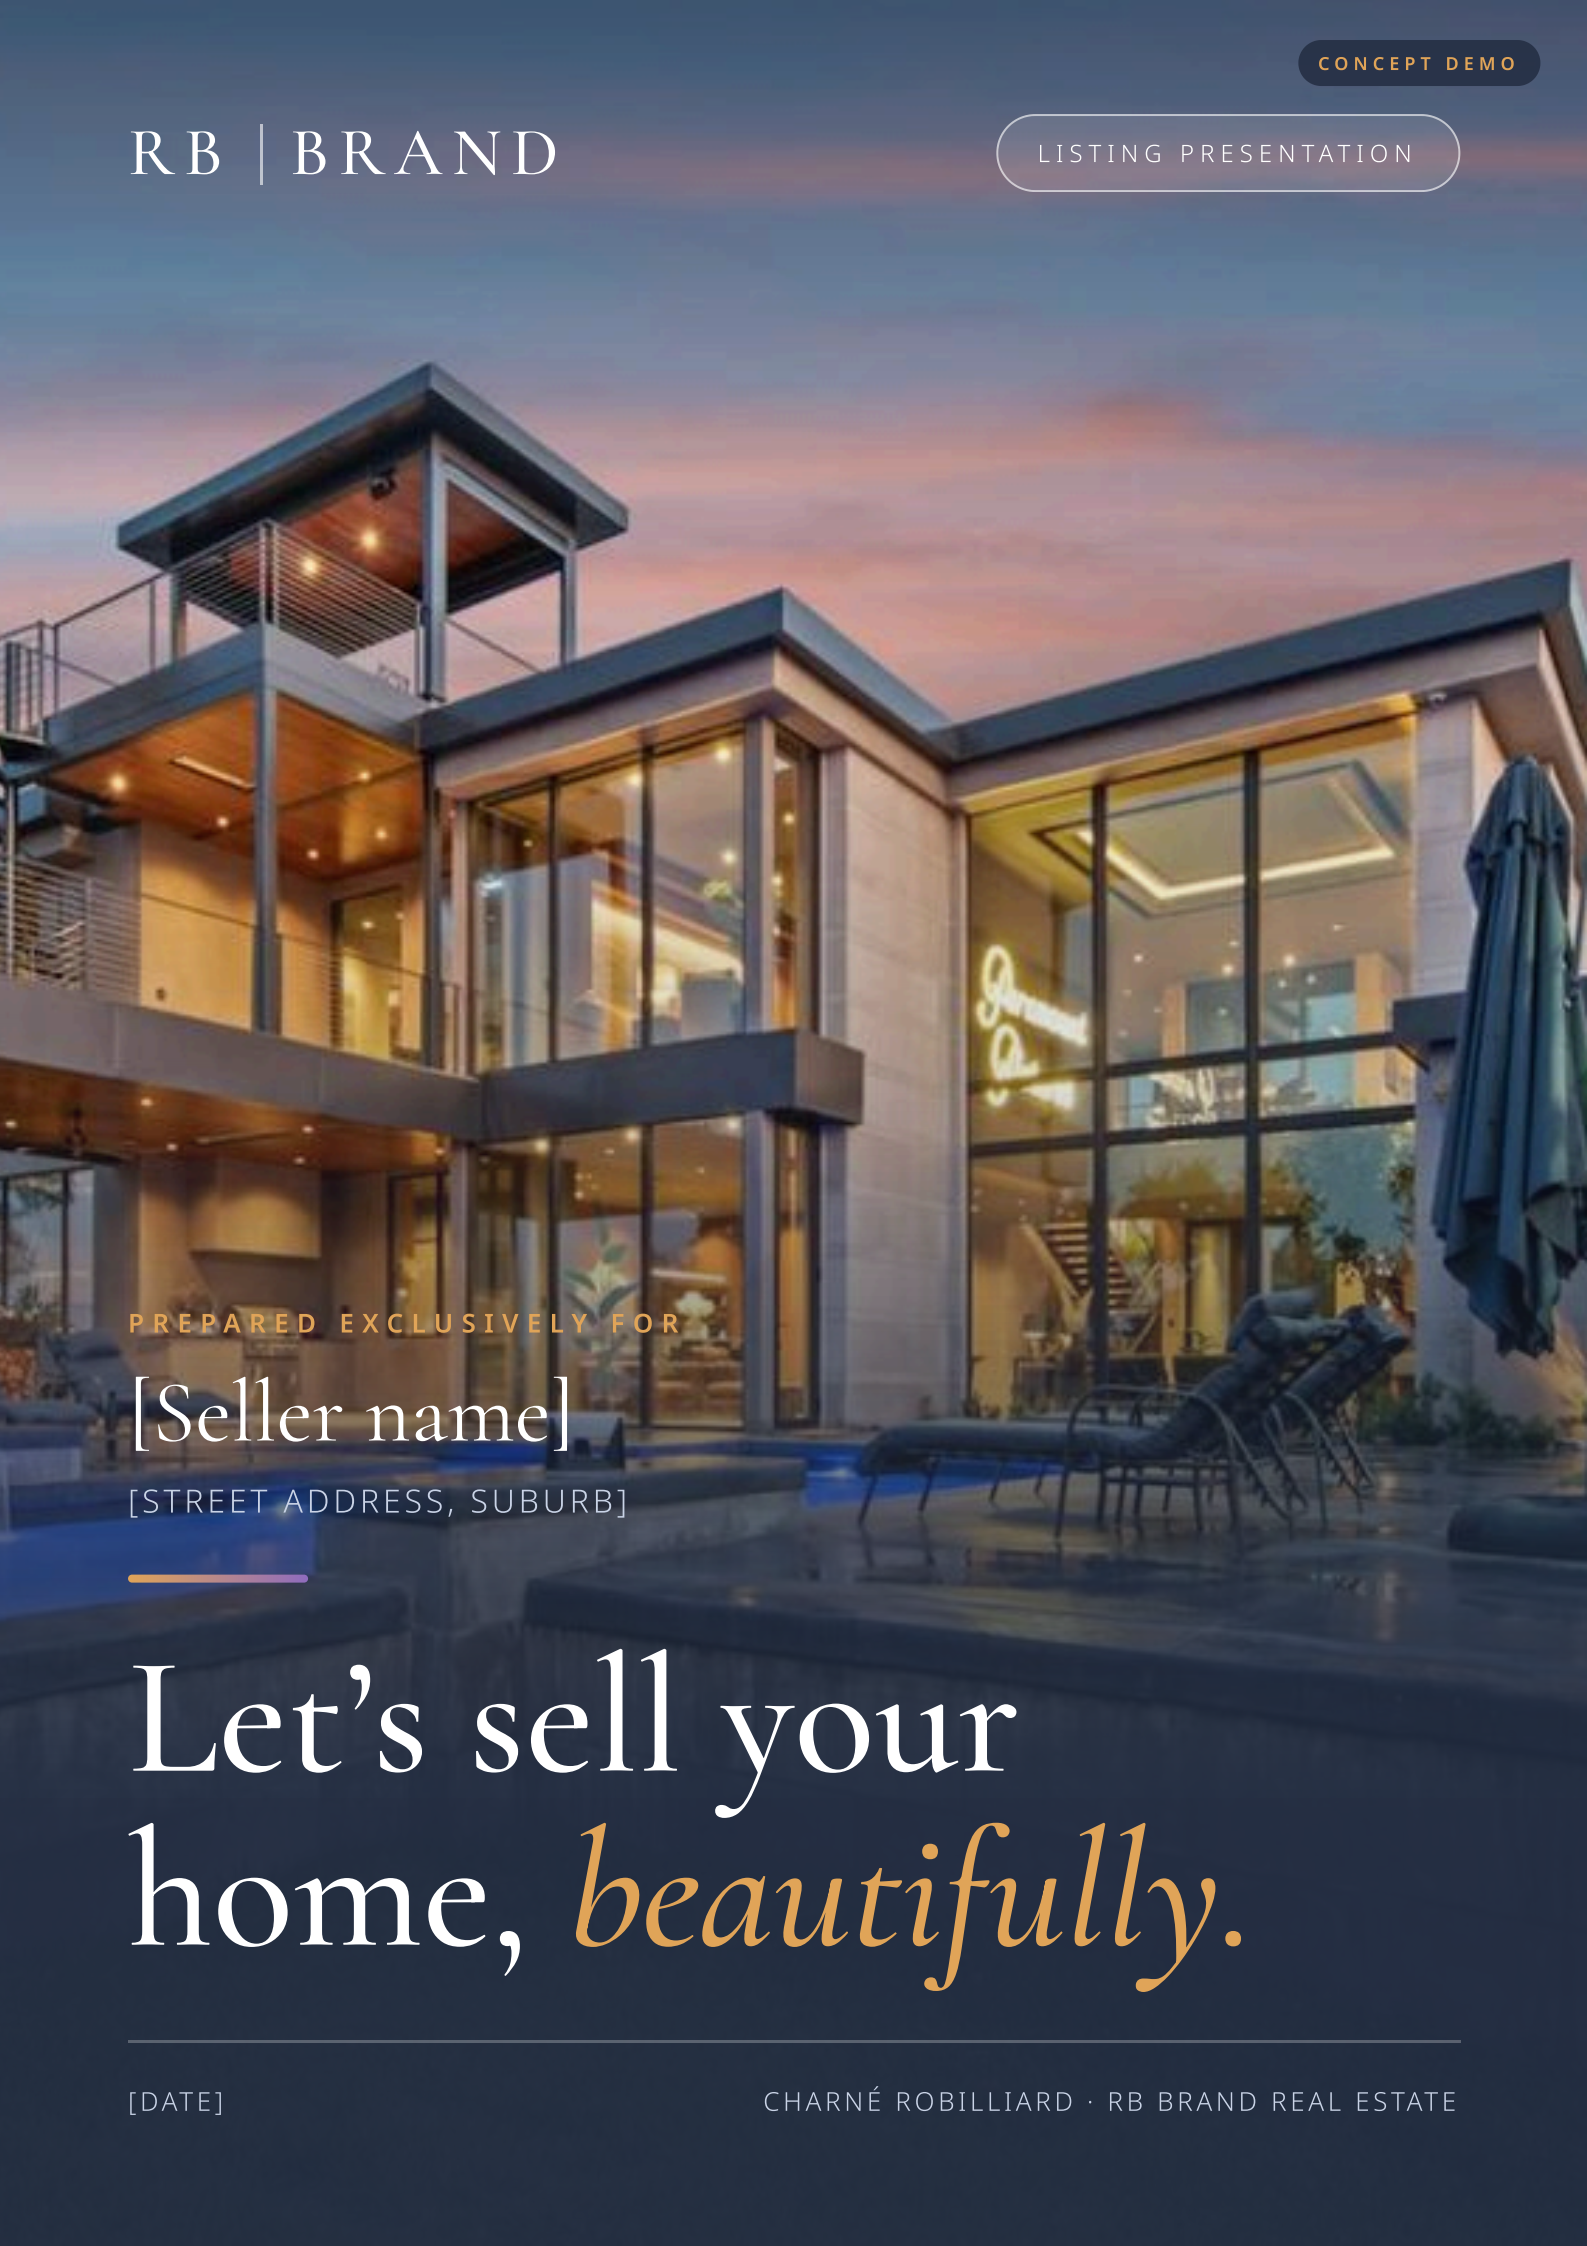

For registration day. The handover checklist, a welcome-home guide to the neighbourhood, and a thank-you card that invites referrals.

This PDF is a still preview. The interactive version, **RB Brand Client Books - Interactive**, turns its pages like a book, plays soft background music, runs the calculators live, and lets each book be personalised and saved as a client copy. Photos: Unsplash (free licence).

A PERSONAL WELCOME

Dear *[Seller first name]*,

Thank you for inviting me into your home. Selling a property is one of the biggest financial — and emotional — decisions you will make, and I don't take that trust lightly.

In this presentation you'll see exactly how we'll position, market and sell your home: what similar homes nearby have sold for, who is buying in your area right now, and what you can expect to walk away with.

My promise is simple: honest advice, beautiful marketing and a calm, structured process — with an update from me every week until the keys are handed over.

Warm regards,

Charné Robilliard

OUR PRICING STRATEGY

[Explain the strategy, e.g. "Priced just under R 3.5m so your home appears in more buyer searches, while the comparable sales support a strong offer."]

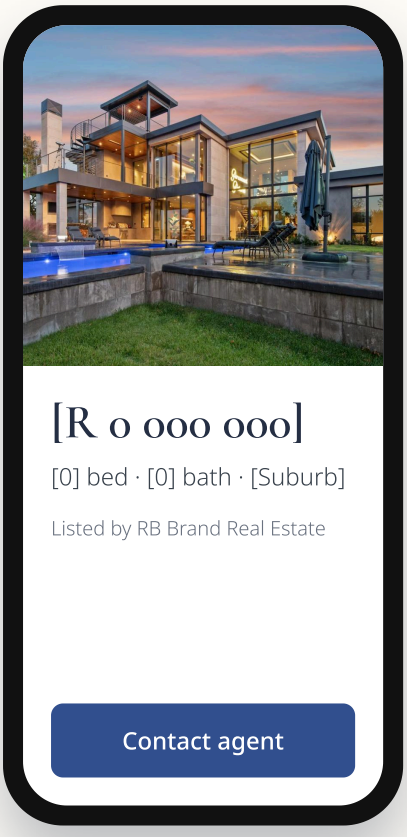

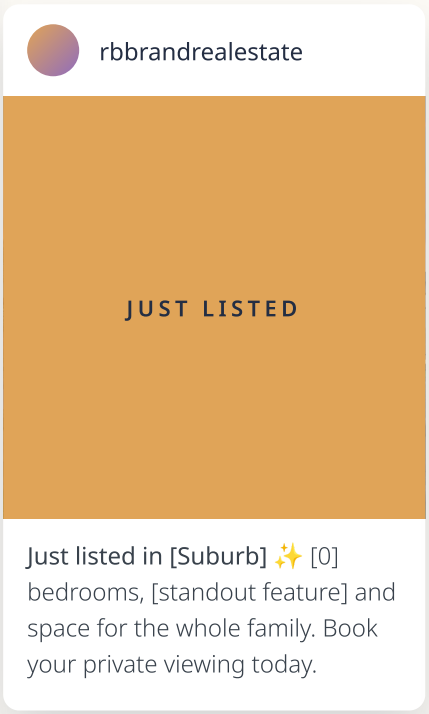

Why pricing right matters. Buyer interest peaks in the first three weeks. A home priced correctly from day one draws the most viewings and the strongest offers — an overpriced home loses its best buyers before a price drop.

GOOD TO KNOW

Questions sellers *ask us*

Why a sole mandate?

One agency running one coordinated campaign. Your home isn't shown at different prices by different agents, and we can invest fully in premium marketing — which attracts better buyers and better offers.

How long will it take?

Well-priced homes in your area currently sell in about [00] days. Once an offer is accepted, transfer usually takes 8–12 weeks.

What if it doesn't sell?

We review viewings, feedback and online interest with you every week and adjust the strategy together — never without your agreement.

What do I need to do?

Declutter, keep the home show-ready and get your compliance certificates in order — we'll help arrange them. We handle everything else.

What does it cost me?

Nothing upfront. Our commission is paid from the proceeds on registration of transfer. See your walk-away estimate on the previous page.

Can I stay while it's listed?

Of course. Every viewing is arranged with you in advance, and we are present at every single one.

ON YOUR SIDE

How we *help you buy*

01

FIRST TO KNOW

Hear about new and pre-market listings before they appear online — the best homes move fast.

02

HOMES THAT FIT

Tell us your wish list once. We shortlist homes that match, so you only view the ones worth your Saturday.

03

SMART OFFERS

We show you what similar homes really sold for, so your offer is competitive — without overpaying.

04

GUIDED TO THE KEYS

Bond approval, FICA, attorneys and transfer — we walk every step with you until moving day.

CONCEPT DEMO

STEP BY STEP

How buying a home *works*

From first viewing to the keys in your hand — usually around three months, start to finish.

1

GET PRE-APPROVED

Before you look

A bond originator tells you what you can afford — and sellers take your offer more seriously.

2

VIEW HOMES

Weeks 1–4

We shortlist homes that match your wish list and arrange viewings around you.

3

MAKE AN OFFER

When you find it

You sign an Offer to Purchase (OTP). Once the seller accepts, it's a binding agreement.

4

BOND APPROVAL

1–3 weeks

Your bank values the property and approves the home loan. Most offers are subject to this.

5

FICA & DOCUMENTS

With the attorneys

You provide ID, proof of address and income to the transferring attorneys.

6

TRANSFER

8–12 weeks

The attorneys prepare and lodge the documents at the Deeds Office. You pay transfer costs.

7

IT'S YOURS

Registration day

The property is registered in your name — and we hand you the keys.

Attorney and bond fees are typical estimates — ask the transferring attorney for an exact quote, and check the current prime rate with your bank. If you buy a new home from a VAT-registered developer, you pay VAT in the price instead of transfer duty.
